BILL NUMBER: HB 1152 BILL AMENDED:

SUBJECT: Child Seduction.

FIRST AUTHOR: Rep. Battles BILL STATUS: As Introduced

FIRST SPONSOR:

FUNDS AFFECTED: X GENERAL IMPACT: State & Local

 $\overline{\underline{X}}$ DEDICATED FEDERAL

<u>Summary of Legislation:</u> The bill specifies that for purposes of the crime of child seduction, a child care worker includes a person who works for compensation or as a volunteer for a: (1) school corporation; (2) nonpublic school; (3) cooperative organization in which a school corporation or nonpublic school is a member; or (4) cooperative program in which a school corporation or a nonpublic school participates; that is attended by a child who is the victim of a sex crime.

(Current law states that a child care worker includes a person who is employed by a school corporation or nonpublic school attended by a child who is the victim of a sex crime.)

Effective Date: July 1, 2009.

Explanation of State Expenditures: There are no data available to indicate if the change in the definition of a child care worker will increase the number of people convicted of child seduction, a Class D felony.

A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor, depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$20,287 in FY 2008. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the marginal cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The estimated average cost of housing a juvenile in a state juvenile facility was \$69,223. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months.

HB 1152+ 1

On average between 2003 and 2007, there were four people a year admitted to a state correctional facility for child seduction, a Class D felony.

Explanation of State Revenues: If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D felony is \$10,000. Criminal fines are deposited in the Common School Fund.

If the case is filed in a circuit, superior, or county court, 70% of the \$120 criminal costs fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund. In addition, some or all of the document storage fee (\$2), automated record keeping fee (\$7), judicial salaries fee (\$18), public defense administration fee (\$3), court administration fee (\$5), judicial insurance adjustment fee (\$1), and the DNA sample processing fee (\$1) are deposited into the state General Fund.

Explanation of Local Expenditures: If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: The county general fund would receive 27% of the \$120 criminal costs fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of the criminal costs fee. In addition, several additional fees may be collected at the discretion of the judge and depending upon the particular type of criminal case.
